Dear Parent/Careers,

Last week was an extremely busy week with lots of extra activities happening to engage our school & wider community. Thank you for your support of these events.

Public Speaking Finals
On Wednesday the school hosted the Public Speaking Finals with the top 3 students in each grade contesting their place. The level of presentations was outstanding, with the quality improving each year across the school. This is the 7th year that they have taken place with the process refined thanks to the thorough organisation & commitment of organising teachers Mrs Dick & Mrs Quinn. CWA International Day – Botswana
On Thursday Wallerawang Public School hosted CWA International Day. This year the country of study was Botswana. The children have been working on the projects during this term. The projects were judged by Anne Hayman on behalf of the CWA and places were awarded to Brittany Griffiths, Maddy Hollands & Dylan Walsh. These projects will now be judged at the zone level. The CWA provided a lovely morning tea for the children and complemented the students & the school on the manners & presentation of the students. Thank you to the CWA ladies for their attendance & to the stage 3 students for their project presentations & excellent conduct.

Grandparent’s Morning
On Friday our school hall & COLA was packed to capacity with Grandparents & Great – Grandparents joining us to celebrate Grandparent’s morning. Some Grandparents travelled distances to join their Grandchildren during the morning’s proceedings. Every child in the school was involved in a presentation in their stage groups – poems were recited & songs sang which was very entertaining. The stage steps couldn’t hold another child as the infants & primary choirs accompanied individual performances from Maddy Burns, Shelby McCann, Hollie Cameron & Tylah Piggott with all the students familiar with the songs they were singing from the movie called “Frozen”.

After the assembly the students presented their Grandparents with a small handmade gift as they moved into a lovely morning tea prepared by the P&C and school staff. Thank you to school staff for taking the time to ensure this was a special event for valued members of our school and wider community.

Fun Run
Friday was an extremely busy day – with the school fun run following the Grandparent’s morning. This year the Fun Run was more than just a Fun Run with Ms Gurney & Mr Campling organising a fantastic obstacle course for the children to undertake as they made their way around the school oval. There were sacks to jump in, balls to bounce on, agility ladders and skipping ropes before they reached the table to get their cards marked. The infants were held during the middle session with primary in the afternoon. All money raised from this event goes back into the school to provide music equipment for the new school music program.

Staff Professional Learning
Professional Learning for staff continues across the school this week with Ms Foster continuing to support staff with their understanding & teaching of patterns & algebra. Staff training in TEN will undertake follow up sessions during the week with Ms Foster coordinating.

High School Science visit
Tomorrow, Lithgow High School Science teachers will work with stage 3 students. This is an excellent introduction to Stage 4 Science for the students & we appreciate the efforts of these teachers running the program.

Futsal competition
On Thursday a junior & senior team will head to Katoomba to play. This is the first time that students have had the opportunity to be a part of a school Futsal team and I know that we have some very keen boys. We do try & attempt to give all students the opportunity in their chosen sport. Futsal is not a part of the PSSA competition, but the senior team does have an opportunity to represent at another level if successful on the day.

Junior team: Hayden Carter, Hayden Berry, Jorden Berry, Ben Seymour, Billy Rushworth, Byron Lamborn, Aydan Thomas and Vincent Porter.

Senior team: Eamyn Quinn, Connor Higgins, Cooper Giles, Lachlan Taylor, Dylan Walsh, Charlie Bray, Ryan Neale and Ethan Van Der Velden

Good luck boys!
Western Area Cross Country
Good luck to the following students from Wallerawang who will participate in Western Region Cross Country next Wednesday at Wellington:
Logan Ward, Wil Stockton, Ethan Holder, Lily Forrest, Sophie Clark, Lachlan Taylor, Cooper Giles, Connor Higgins, Brittany Griffiths & Emma Cain
I hope the track is a little less muddy then last year and we all look forward to hearing the individual competitor results.

School Expectations & uniforms
Thank you for your support in ensuring school expectations & procedures are followed. I ask you to continue working with us to ensure this continues. As you are aware our school uniforms & subsequent policy was changed to accommodate changing needs within the school. I ask that you comply with this policy as it ensures school unity & pride. The policy is on our school website or you can gain a hard copy from the school. I also remind you that at times teaching staff have decisions to make & at times these decisions are not always easy. We understand that you are not always going to agree with these but I ask that you be respectful of these as they are not made lightly & without consideration of all parties.
This is a really busy time for school staff with the reporting period starting & many hours committed to writing & proof reading. Enjoy the long weekend.

Girl’s Netball
On Tuesday of this week, the Wallerawang’s netball team played Zig Zag in a friendly game of netball. Courtney Martin scored a goal early in the game and the team played hard to finish the game 10-1, with Zig Zag winning. Despite the loss all girls enjoyed themselves immensely and showed good sportsmanship. Thanks to Leanne Houlison for coaching the team and to Debbie Holder for refereeing the game!

Peer Support
We introduce a 3 step model this week to encourage resilient responses: Pause, Plan, Proceed. The children take part in an activity to identify their feelings and the immediate effects on their bodies, i.e. butterflies in their stomachs. The normalcy of feelings is acknowledged and the importance of being proactive is stressed. The children learn that pausing when they are emotional is helpful. They can do this by being still, taking a deep breath or counting to ten. Pausing gives children space to see a situation more accurately before planning a response.
Ask you child to describe the 3 steps of the model and what is involved in each one.

### Too sick for school?
As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice.

School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser [www.bit.ly/1hytn2E](http://www.bit.ly/1hytn2E)

### Auction — Fundraiser
An auction fundraiser for the family of the late Paul “Dommie” Rainsford will be held at the Wallerawang Bowling Club on Saturday 14th June at 6pm. There will be a live auction with raffles and lots more.

A smorgasbord meal will also be available for purchase. All funds raised will assist the Rainsford family.
