From the Principal’s Desk

The last ten weeks has just disappeared so quickly for staff and students alike and term four is a consolidation period for children’s learning as they wrap up the year, finalise all sorts of assessments and ready themselves for the coming year. With 28 year six students set to leave us at the end of the year and at this stage approx. forty five kindergarten students enrolling we are once again set to grow a little more and may even break the 300 student enrolment mark in 2015.

The greatness of the school is reflected in the partnership we have developed and maintained over many years between parents, staff, students and the wider community. Our school buildings and grounds are a wonderful environment for children in and around the local community and with the added expertise of our teaching and support staff the school is a very functional, caring and progressive place with numerous cultural, academic and sporting opportunities for children to be a part of all year long.

Children in years one and two will finish up the term with an excursion to the Featherdale Wildlife Park near Blacktown The weather forecast is looking great for Friday and the rich learning, fun and new experiences for all the children attending will provide a great springboard into the school holidays. All permission notes and other arrangements are well in place to ensure a great day for everyone in attendance.

This week stage three students are supporting the State Bike Safety Awareness Week and Mrs Dick has details about this important initiative on page 4. The touch football gala day was held on Tuesday with three teams from our school entered in the program. The children enjoyed the day and participated with enthusiasm and good sportsmanship. Special thanks is extended to Mr Campling for his commitment to organising the day. A complete report is on page 6.

Our two CSU teacher interns will finish up at the end of this week after a very rewarding, challenging and well supported practicum program supported by Mrs Quinn and Mrs Warner. I acknowledge the wonderful guidance they have been provided whilst working with us and also recognise the important contribution they have made to the school during their time here. A little more about our university students is detailed on pages 3 & 4.
Our **Year 1/2 teachers** were in Bathurst today attending the next professional learning program focussing on their teaching of literacy using the L3 processes and strategies. We all look forward to their continued personal and professional growth in laying the important foundations for children in their writing, reading and oral expression.

A ‘gold coin’ **mufti-day** will be held on Friday this week and all children are encouraged to wear their favourite footy team colours. This doesn’t mean parents need to go out and purchase football jerseys, hats, pants or socks it just means we are encouraging children to wear the colours that represent their favourite NRL or local team.

**School Assembly**
Parents and carers are invited to come along this Friday 19th September to our final term three assembly. Although stage one will be absent it is important that we wrap up the term with a final assembly recognising academic awards, citizenship and behavioural achievements. Assembly commences at 9:15am and all parents, carers and community members are welcome to attend.

**Excursion News**

**Stage 1 Featherdale Excursion**

Stage 1 children are getting very excited about our excursion this Friday to Featherdale Wildlife Park. An information note went home yesterday outlining specific information for parents. The bus will leave at 7:30 am sharp and return between 4-4:30pm. Please remember full school uniform, broad brimmed hats and plenty of healthy food to eat and water to drink.

**SRC**

Please remember Footy Colours Day

The SRC are organising a Footy Colours Day for the last day of school this term with all monies raised going to the Fight Cancer Foundation. We are asking that if your child would like to dress up in football associated clothing that they bring along a gold coin donation to give to the Cancer Foundation. The SRC see this as a very important cause and an opportunity to give back to the community. Your participation and donations would be very much appreciated. Thank You!

**Photography Lesson**

During last Friday, Mrs Fraser, Mrs Morrow and myself accompanied Stage 3 on our trip to Lake Wallace. We are focusing on Photography in Creative Arts lessons. Our students were able to bring their cameras and other devices in to use. Using photography skills and processes which include framing, lighting and composition, students photographed many natural and man-made features of the Lake complex including picturesque images of flora and the Power Station. Dark clouds threatened but we were lucky that the rain stayed away long enough for us to go over the road. We covered multiple areas of the Lake complex to ensure we took plenty of photos. The children and teachers definitely enjoyed their time with plenty of excellent images taken. For our next lesson, our students will take one of their favourite pictures printed at home and cut the middle portion of it out and draw what used to be there using pencil. I am looking forward to producing some fantastic artworks with our students!

**KW Farewell Miss Samios**

Miss Samios has completed her five week internship here at Wallerawang Public School. Miss Samios has introduced some wonderful classroom experiences for the children.

KW, Mrs Warner and Mrs Clark would like to wish Miss Annabelle Samios all the best in her teaching career.

Mrs Carolyn Warner
Friday on the 5th September the whole School had the opportunity to plant a seed for our summer vegetable garden. 5/6Q Farewell Mr Purnell

For the past five weeks Mr Daniel Purnell a qualified teacher who is completing his fourth year of studies at CSU has been teaching 5/6Q. Mr Purnell is studying a Bachelor of Education (Primary) and this is his final internship. 5/6Q has enjoyed learning about the techniques used to share information, strategies for measuring length, perimeter and area and about the amazing environment in Antarctica. Mr Purnell organised an excursion to Lake Wallace to take photographs for the student’s artwork, organised sports activities and spent many hours making sure the students in 5/6Q had a wonderful learning experience. It has been a pleasure having Mr Purnell at Wallerawang Public School and we would like to wish him the very best as he embarks on his adventure as a Primary school Teacher. Thank you for teaching 5/6Q.

Mrs Quinn and the students of 5/6Q
Fruit & Veg Month runs from the 25th August-19th September. It is an initiative of the Healthy Kids Association with the support of the NSW Ministry of Health.

This year’s theme is “Rainbow Journey”. Variety is key! Eat fruits and vegetables of many different colours every day to help ensure your children are getting a wide variety of nutrients.

This week Stage 1 students explored a mystery bag of fruits and vegetables and then completed posters featuring a rainbow of fruit and vegetables.

More Tips for eating more fruit and Vegetables

www.healthy-kids.com.au/parents/ is a great source of healthy meal and lunchbox ideas.

Nothing is easier than raw veggie sticks and dip! A variety of vegetables can be used as well as some low-fat dips. Try hummus or a simple avocado yogurt dip to go with the veggie sticks. Peanut butter or cream cheese may also go well with a vegetable such as celery sticks.

Put a twist on fresh fruit by chilling in the freezer, it gives fruit a different texture. Freezing works with all fruits, but grapes, blueberries and bananas are especially tasty when frozen.

Lettuce wraps are a good way to pack a lot of veggies into a meal. Chop up any vegetables you have such as carrots, celery, and capsicum. Add spices to your liking and sauté it all together. If you don’t have the time, the chopped veggies can also be served raw. Pile the mixture onto lettuce leaves and serve. It becomes an interactive and fun way for kids to eat. Try adding chicken, tuna, or egg salad for a boost of protein!

Fruit & Veg Month Competition

Students from K-6 are encouraged to enter the Fruit and Veg month competition for a chance to win a Veggie Twist game – a ‘veggie’ take on the well-known Twister game. Entry forms are available on our school website http://www.wallerawan-p.schools.nsw.edu.au/ under the ‘News’ tab or are available from class teachers or the front office. Completed entries should be sent directly to the address shown on the form. You’ve got to be in it to win it!

Entries close Friday 10th October.

Stage 3 Bike Week Challenge

On Tuesday afternoon Stage 3 participated in the Bike Week Challenge as part of NSW Bike Safety Week. This game show like challenge was conducted via video conference against Thurgoona Public School and Springdale Heights Public School, both in Albury. It was a very close contest in which Thurgoona were the winners and we tied for second with Springdale. To their credit, Wallerawang students answered all their questions correctly and were narrowly beaten by the surprise bonus points attached to some questions. The teachers were very impressed with the students understanding of bike safety which has been a focus in recent Life Skills lessons.

Touch Football Gala Day

Yesterday Wallerawang Public School participated in a touch football gala day held at Tony Luchetti Sportsground and organised by Touch NSW. It was a non-competitive day to encourage both boys & girls to play the game & teach them some basic skills of the game. It was the first time that Touch NSW have held a junior day in Lithgow & hope that it can continue in the future with the support of local schools. Wallerawang entered 2 junior & 2 senior mixed teams. Congratulations to the following students who participated during the day: Bailey Brown, Logan Ward Hayden Carter, Ethan Holder, Charlotte Dunn, Lily Forrest, Ellie Pender, Maddie Holding, Hannah Lambert, Ashton McDonald, Aydan Thomas, Wil Stockton, Saezar Scanlan, Byron Lamborn, Charlotte Jackson, Tia McMillan, Sophie Lane, Sophie Clark, Katahna Woolsey, Bethany Hagar, Hollie Cameron, Sam Lane, Ethan Van Der Velden, Cooper Nunan, Sam Petersen, Ben Fraser, Sara Lane, Charlie Bray, Lachlan Taylor, Connor Higgins, Jai Elliott, Kye Cameron, Shelby McCann, Brittany Griffiths, Hayleigh Andrews, Eamyn Quinn, Brooke Lewis, Billy Rushworth and Emma Cain. All the children displayed outstanding sportsmanship and enjoyed a fun and non-competitive day of touch football. Thank you to Chris & Tammy Brown along with Corey Stockton who have taken the time to teach the junior teams skills that will benefit them as they play through the years. Your assistance and willingness is appreciated and valued. Thanks also goes to the all the parents and grandparents who took the time to support and encourage during the day. It was also good see ex-students Jake Lewis, Mitch Redding and Pacey Stockton lending a hand to referee and support the students of all the local school.

Many of these students were looking forward to participating in the T20 cricket day being held today. I am sure with the same enthusiasm.

Please remember to return the touch football uniforms ASAP.

Want to give your child a successful start at school?

(Home Interaction Program for Parents and Youngsters - HIPPY)

HIPPY is a free, government funded program, for Lithgow, Wallerawang and Portland designed to help parents prepare their children for school. Materials, guidance and home tutor support are all provided. The focus is on parents spending about 10 minutes a day doing the interactive activities with their children, to build pre-literacy and numeracy skills. HIPPY aims to further develop parents’ skills and confidence to better help their children prepare for a successful start at school.

Employment opportunities are also available to parents. Centacare requires part time Home Tutors to assist with delivering the HIPPY program. Centacare is accepting enrolments for 2015 from families living in the Lithgow, Wallerawang and Portland areas with children in the year prior to starting school, usually around 4 years of age (Note: Children must turn 4 years on or before the 31st July 2015).

Interested parents / caregivers can contact Hippy Bowenfels on telephone: 6352 4868 or mobile 0409 362 663 or email hippy@centacarebathurst.com.au

HIPPY Bowenfels is funded by the Australian Government Department of Education through the Home Interaction Program for Parents and Youngsters.

**Jackeroo Ranch**

Horse Riding Spring School Holiday Riding Camps

Jackeroo Ranch (est 53 Years) and recently relocated to Bingletree Station at Upper Turon, are again running their popular horse riding camps in the winter vacation.

1st week:
Saturday 20th September – Saturday 27th September

2nd week:
Saturday 27th September – Sunday 5th October

Shorter stays are possible if camps are not fully booked. These camps are for “horse-mad” children aged from 6 to 16 years. Five to six hours per day are devoted to horse activities including a one hour lesson and three hour trail rideing in the beautiful Turon Valley—with tuition still being given. As well, campers are taught grooming, saddling, haltering and catching a horse with safety aspects and many other facets of horsemanship. Previous experience not necessary as beginners to advanced riders are catered for. We specialise in teaching nervous riders and developing their confidence. This is “not just a camp” it’s a wonderful farm experience your child will treasure forever.

A message from the Rural Fire Service Open Day

Thanks for all those children and parents who support the Communications Brigade on Saturday at the Valley Plaza in Lithgow and took a guess at the number of lollies in the big jar.

The correct number was 239 and Mr Gordon Shannon of Rydal had the closest guess at 241. The lollies have been delivered. Thanks kids it was nice to see you all.
