From the Principal’s Desk

As term three draws near to closing I take this opportunity to thank staff, students and parents for the welcome, understanding and support you have given me upon returning to the school at the beginning of term three.

Wallerawang School is a wonderful learning centre for all the children in the local community and I am incredibly humbled to find the way in which all the children across the school work so well together in cooperation with the teachers. Our classrooms are happy and vibrant places where the teachers are giving their best each and every day.

Walking around the playground at recess today was an absolute delight also. I saw so many happy kids playing in such a constructive ways with each other. The playground is full of all sorts of special places where everybody can choose something to do that suits them and allows them their own space and place to be. The seating, the playground equipment, the handball courts, the stepping blocks, the grass area and sports field are all being really well utilized. I would like to acknowledge the wonderful work done by the teaching and support staff who have all helped create such a positive place for each and every child to play.

I would like to acknowledge the wonderful support of the P&C and parent volunteers for their effort with providing kids the option of purchasing Father’s Day gifts last Monday and Tuesday. The initiative of these volunteers to provide such a service to the kids is superb.

Last week was Legacy Week across Australia and Mrs Warner and selected students did an outstanding job selling badges and wrist bands to support the wonderful work of legacy. Thank you is extended to all families for their support of this important organisation.

We have a very busy week ahead of us next week with a Touch football Gala Day on Tuesday, the Cricket T20 Gala Day and Year 1/2 teachers attending ongoing training in the L3 teaching at Bathurst on Wednesday followed by the Stage 1 excursion to Featherdale Wildlife Park on Friday. What a great way to end the term.

School Assembly

Parents and carers are invited to come along tomorrow morning to our weekly assembly. Academic awards, citizenship recognition and behaviour certificates will all be celebrated on the morning. Assembly commences at 9:15am and all parents, carers and community members are welcome to attend.

Duncan Auld
Principal - Wallerawang Public School
Dear Parents/ Carers,

On Sunday I had the pleasure of being involved in the Cancer Fundraiser at the Wallerawang Bowling Club, once again the generosity & support of our town never ceases to amaze me. I am humbled by the willingness of people who give their time to the organisation of such events & those that donate both goods & services to ensure those who are faced with life’s challenges are given some financial support to lighten the load. The Bowling Club with their willingness to support such events is an incredible asset to the town and their hard working committee deserve a huge Thank you. I would like to personally thank Amanda, Craig, Chris & Tammy Brown for their support & selflessness. To the families & staff from our school who took the time to attend & to donate – we value your contribution. I was interested to hear the response from the Camp Quality representative who clearly outlined that their best support comes from the smaller communities like ours, although it is certainly no surprise to any of us who are involved in these events. As I have said before in both times of need & celebration our community comes together & Sunday was no exception.

Ed & I would also like to say thank you to everyone who has taken the time to enquire after his well – being. We appreciate & value that you took the time to think about us. It certainly makes you put things in perspective & makes you reflect on the important things in life.

Gala Days

The Touch Football Gala Day has been rescheduled for Tuesday, 16th September from 10 a.m. at Tony Luchetti Sports Ground, Lithgow. Teams will stand as they are and training take place on Monday.

The NSW T20 Cricket Gala for boys and girls has been scheduled for Wednesday, 17th September. All participants have received notes and must be returned on Monday 15th September.

As winter sporting competitions come to an end in and out of school, remember to remain active, practice your skills and stay enthusiastic. Summer sport is just around the corner and it won’t be long until next year’s competitions begin again. All the best to the students participating in finals and grand finals in their out of school sporting competitions. As teachers, we look forward to hearing about these results as well.

Mr Campling
Fruit & Veg Month

Fruit & Veg Month runs from the 25th August-19th September. It is an initiative of the Healthy Kids Association with the support of the NSW Ministry of Health.

This year’s theme is “Rainbow Journey”. Children should eat fruits and vegetables of many different colours every day to help ensure they are getting a wide variety of nutrients.

Vegetables, both raw and cooked, are a great snack. Research shows Aussies don’t eat enough of them. Try making your kids veggie chips. Just finely slice carrots, parsnips, potatoes, zucchini, sweet potato, and pumpkin. Toss them in a small amount of olive oil and garlic powder, then bake until crisp.

Quesadillas are a quick and easy snack. The great thing is you can fill the tortillas with whatever veggies you have: corn, beans, tomatoes, capsicum, onion, or anything else you have in your kitchen. Add some low-fat cheese and you have a delicious, healthy snack.

Fruit smoothies are great! They can be made with fresh or frozen fruit, low-fat yogurt, and a splash of 100% fruit juice or milk. Use a variety of fruits to make drinking smoothies interesting and fun!

Fruit salads are a good way to increase your child’s fruit intake. Ready chopped, bite sized fruit of different colours are very appealing. Try adding chopped fresh fruit into yogurt or cereal for texture and flavour. Bite-size pieces make it easier and more likely it'll be eaten.

www.healthy-kids.com.au/parents/ is a great source of healthy meal and lunchbox ideas.

Fruit & Veg Month Competition

Students are invited to enter the Fruit and Veg month competition for a chance to win a Veggie Twist game – a ‘veggie’ take on the well-known Twister game. Entry forms are available on our school website http://www.wallerawan-p.schools.nsw.edu.au/ under the ‘News’ tab or are available from class teachers or the front office. A sample form is included in this week’s newsletter on page 8 for illustrative purposes only. Completed entries should be sent directly to the address shown on the form. Entries close Friday 10th October.

Crunch & Sip Reminder

During Fruit & Veg Month it is timely to remember that all classes participate in Crunch&Sip daily. Crunch&Sip is a break during class when students can refuel on fruit and vegetables and rehydrate on water.

Crunch&Sip reinforces the nutrition messages in the PD/H/PE curriculum. By making fruit and vegetable eating and water drinking normal in the classroom, healthy habits can be formed and continued into adolescence and adulthood.

Students are also more likely to eat their fruit or vegetables and drink their water if their friends and peers are all doing it too!

Please make sure your child has a piece of fruit or vegetables and a bottle of water each day.

We request that fruit sent in is 'ready to eat' (eg oranges cut into slices) and suitably sized to ensure it can be eaten in a reasonable amount of time.

Want to give your child a successful start at school?

(Home Interaction Program for Parents and Youngsters - HIPPY)

HIPPY is a free, government funded program, for Lithgow, Wallerawang and Portland designed to help parents prepare their children for school. Materials, guidance and home tutor support are all provided. The focus is on parents spending about 10 minutes a day doing the interactive activities with their children, to build pre-literacy and numeracy skills. HIPPY aims to further develop parents’ skills and confidence to better help their children prepare for a successful start at school.

Employment opportunities are also available to parents. Centacare requires part time Home Tutors to assist with delivering the HIPPY program. Centacare is accepting enrolments for 2015 from families living in the Lithgow, Wallerawang and Portland areas with children in the year prior to starting school, usually around 4 years of age (Note: Children must turn 4 years on or before the 31st July 2015).

Interested parents / caregivers can contact Hippy Bowenfels on telephone: 6352 4868 or mobile 0409 362 663 or email hippy@centacarebathurst.com.au

HIPPY Bowenfels is funded by the Australian Government Department of Education through the Home Interaction Program for Parents and Youngsters.

Key points to remember around schools

2 Driving near school buses

There is a 40km/h speed limit for traffic passing a school bus that is setting down or picking up school children.

This speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.

The 40km/h speed limit must be obeyed when the rear wig wag lights on the bus flash.

Flashing headlights on these buses also alert oncoming motorists that children are close by.

As a driver, remember: When the lights on the bus are flashing, you must slow down to 40 km/h.

Never park in or near a bus stop or bus zone.

For information about fines and demerit points, visit rms.nsw.gov.au

3 On and off the bus safely

Your child is most at risk in the minutes after getting off the bus. You can reduce this risk.

Meet your child (or arrange for another trusted adult to meet your child) AT the bus stop, NEVER on the opposite side of the road.

Wait until the bus has been driven away before choosing the safest place to cross the road, then follow the usual road crossing procedures with your children.

STOP! One step back from the kerb.

LOOK! For traffic to your right, left and right again.

LISTEN! For the sounds of approaching traffic.

THINK! Whether it is safe to cross.

Teach your children to keep turning their head in both directions to look and listen for traffic as they cross the road.

While waiting at the bus stop, stand well away from the passing traffic. Never wait right at the kerb.

Remind your children that when a bus is fitted with seatbelts, they must buckle up.

Until they turn ten, hold hands with your child as you cross the road.

CIRCLE of SECURITY

Circle of security is an early intervention program that focuses on relationships that support children to feel secure. Secure children exhibit increased empathy, greater self-esteem, better relationships with parents and peers, enhanced school readiness, and an increased capacity to handle emotions.

The program supports parents to look beyond a child’s behaviour and identify the relationship need.

For parents of children 6-12 years old.
