To the **students** of Wallerawang Public School for the enormous effort you put into the roles you took on. Each one of you did it with enthusiasm and interest, displaying outstanding leadership qualities. To the performers – your talent and stage presence would certainly rival most talent shows. You were extremely entertaining! The children involved in the presentation of the ad breaks, you added to the atmosphere of the evening with your humour. To the chefs who worked in an incredibly supportive team lead by ‘Red’. The way that the older students nurtured the younger ones was extremely encouraging. You followed instructions, were cautious and realised the importance of the job you were doing. To the support crew, including sound techies, lighting, video cameras and camera operators, the work that you did behind the scenes to ensure all was in order and to have a record of the evenings was very much appreciated. To the food and drink waiters and waitresses, you all looked so professional in your black and white clothes, complimented with a shiny black tie. You were so polite to the guests and had listened well to the training you had been given.

To **Red Thompson** and **Chris Warren ‘Budda’** who have put their own commitments of work and business aside to lead the ‘chefs’ of Wallerawang School. It is with extreme gratitude that I say THANK.

To **Leigh Fitzpatrick** who has lead a team including **Katena Taylor** and **Sharon Giles** in transforming the school hall into a show piece that would marvel any interior designer. Their time and commitment to this venture has humbled me in so many ways, from the colour scheme, to sponsorship and lighting and they also helped our kitchen and wait staff.

To **Sharon Rushworth** who has taken on the lead of waitressing and green thumb and organisation of all the extra jobs around this, including the transforming of water bottles on the tables, with the support of **Nicole Woolsey** and **Debbie Holder** and a number of other helpers to support the children in their role. Your friendly faces and enthusiasm for what you continue to do to support the school is inspirational.

To **Sheree Scanlan** who helped fill water bottles and managed the canteen on the Thursday of the Lakeview Restaurant. To **Tammy Brown** and **Joanne Smith** for operating the canteen also whilst there was endless disruption with restaurant preparation and hype! – the list goes on. I hope you know how appreciative we are of your involvement.

It was moving to see the number of parents who could see the huge amount of work that
was involved and put their hands up to help and support in a variety of roles. These roles were numerous and varied and all ensured the success of the evening. Acknowledgement and thanks go to: Julie Trestrail, Janelle Fraser, Melissa Stockton, Simone Burns, Leanne Houlison, Kimberely Gunnulson, Belinda Wootton, Dianne Lewis, Kathy Lane, Di Van Der Velden, Nat MacCullaugh, Melanie Schindler, Eddie & Tahnee Lamborn, Kerry Carter, Billy & Emma Rushworth, Jenny Wittingslow, Laura Luchetti, Jed Fraser, Marty Rushworth, Russell Muldoon and Tony Luchetti.

To Shireen Sheehan and Helena Bilby who choreographed dance moves for all the dances, that came together so well.

To Bridget Cama, Si Townsend, Debbie Bettison, Jason Shanahan, Glen Snow and Luke Moran for providing entertainment, your contribution is valued.

To the school staff from executive, teaching, administration, general assistants and cleaning who as always gave their time selflessly over months of organisation. During this whole process the positive atmosphere of the school remained. The staff at Wallerawang do what they do each day because they care about the students and the community that they are a part of.

In summing up the success of Lakeview and the incredible amount of support received which I cannot thank people enough for I wish to reiterate what a parent said to me as it was all happening ‘we do what we do because we are Wang’. How true and how proud I am to be a part of it!

I wish to offer my personal thanks to those people who have taken the time to offer their inspirational words both verbally and in writing.       By Mrs Jenny Lamborn

VEGETABLE GARDEN

In Term 2, our whole school did some amazing work with Sharon Rushworth.
We planted some edible vegies including carrots, peas, cabbage, cauliflower, zucchini, parsley, basil and oregano!!!
On 18th and 19th October 2012, all of Stage2 made flowers for the Lakeview Restaurant. Mrs Giles and Mrs Taylor were helping the children make orange and blue flowers. These flowers will be table decorations for the Lakeview Restaurant.

Preparation for the Lakeview Restaurant was very exciting and fun for the chefs which ranged in age from year two to year six. We interviewed three chefs/students Lachlan Williams, Brooke Lewis and Kayla Giles.

Lachlan Williams said he was very excited to have the role of a chef. He wanted to be a chef to have fun with his friends and enjoyed the cooking and preparation for the Lakeview Restaurant.

Brooke Lewis replied with “I was excited to have the role of a chef and wanted to be a chef because I like to cook with my family. I enjoyed prepping the food as well as cooking it.”

Kayla Giles informed us that she was super excited to have the role of a chef and wanted to be a chef because she cooks at home with her family. She enjoyed cooking and prepping the food.

Thank You

Dear Jenny,

I write to congratulate the Wallerawang Public School on the wonderful presentation of the Lakeview Restaurant. At first we were disappointed the concert was not on this year, but the Lakeview Restaurant turned out to be an excellent alternative. It gave everyone a chance to participate in various ways and improve for future life skills.

We were thrilled to see such teamwork from every age group – the children and staff cooking, learning, acting, singing and behind the scenes aside, everything flowed so smoothly and in a credit to the whole school community.

We are very proud to be grandparents of past and present children at W.P.S., and how they are being trained so well.

Best wishes for Christmas and 2013.

Jane & Ken Lincoln

18th November 2012

Mrs Jenny Lamborn

I would like to congratulate everyone involved in the Lake Side Restaurant especially the students, it was a wonderful evening proving with the right encouragement our young children are more than willing to undertake new ventures and prove themselves worthy of the challenges set before them.

All the children performed their chosen tasks with proficiency and politeness and it was a pleasure to be apart of such a wonderful evening. We are of course very proud grandparents however I found every child demonstrated beautiful manners throughout the entire evening.

Well done

Heather and David Butler

Proud grandparents of Laura Erin Luke and Nic Luchetti
To Jenny,

Recently we were invited to dinner at Walkerawang "Lake View" Restaurant. What a pleasant evening!!

The most impressive thing was the behaviour of the children - courteous, pleasant and helpful. Even appeared to enjoy "Walk".

The dedication of your teachers shines through - Where were they when I was at school?

You should be very proud of what you have accomplished at your school.
