Cross Country 2013

On Friday 10th of May Wallerawang Public School held our annual cross country. The day turned out hot and sunny. The tough steep course tested us out. The first 4 students aged 8 years to 12 years of each race went on to compete at the Lithgow district cross country.

Boy’s Hockey team

Miss Lang and Miss Reid are the coaches.

The team comprises children from Years 3 – 6, some are regular hockey players, a lot were not. All the boys represented their school with outstanding sportsmanship and despite being down 2 – 0 at half time they never gave up and certainly shone in the second half coming away with a 4-3 win. From this win they then went on to play at the gala day at Lithgow. It was a well organised day with Wallerawang playing Cooerwull in the first game. Once again the team stuck together, supported and encouraged each other. Congratulations to all the players. Wallerawang played Cudegegong Valley in a consolation game with the final score nil all. Acknowledgement needs to go to the team consisting of Lachlan Wilson, Ryan Neale, Zane Anderson, Dayne Houlison, Dane Hart, Eamyn Quinn, Jack Williams, Hayden Wittingslow, Dylan Miles, Jeremy Williams, Mitchell Jewel, Noah Jewel, Ethan Fitzpatrick and Luke Luchetti, for their fantastic efforts. They showed how Wallerawang always try their best. Thank you to Ms Lang and Miss Reid for what they have done to prepare the team.

My Place Artwork
This term in the 3/4C Learning Space we have been working on a combined unit of the text ‘My Place’ written by Donna Rawlins and a local area unit on Wallerawang. The students have been involved in a range of activities from writing their own ‘My Place’ accounts to making personal timelines as well as designing maps and artworks of their houses. This has been linked to studying the history of Wallerawang, its development as well as its founding father, James Walker. I hope you enjoy our writing, timelines and artworks!

**Ryan’s Place**
Hi, my name is Ryan and this is my place. My friends call me Rhino. I am 10 years old. I have grown up in Portland on a little farm with my Mum, Dad, my annoying brother and my dog Lucy. I have lots of friends to keep me company! Motorbike sounds are always heard from the paddock because I just love riding my motorbikes!

**David’s Waru**
Hi, my name is David and this is my place. My friends call me Dave! I am 10 years old. We moved from Lidsdale to Lithgow in 2012. My house is modern and is located near an abandoned mine. We moved here so we did not have to travel into town. I live with my Mum, brother and sister. She is annoying! You can usually hear the sounds of Zombies. This is because I like to play Zombie games with my brother.
On Friday 31st of May the SRC ran a fundraiser with the theme of SRC Bandaged Bear Day. We all had a very yummy light breakfast in the hall with our class. We had fruit, yoghurt and juice. Thank you to the business sponsors who helped provide the yummy food. The SRC made over $300. Thank you to all the SRC representatives who are Jack Carter, Tom Fraser, Dylan Miles, Nic Luchetti, Erin Luchetti, Kyla Isley, Ben Seymour, Tylah Piggott, Riley Williams, Jacova Woolsey, Piper Woolsey, Eamyn Quinn, Hayden Wittingslow, Emma Sheehan. On Monday 27\textsuperscript{th} May every child was given a commemorative coin by Lithgow city council. This coin is to celebrate 150 years since white explorers first crossed the Blue Mountains. We watched a funny performance teaching us about the 3 explorers Blaxland, Wentworth and Lawson.

The actors were really funny pretending to be lots of different characters. A man even dressed up as a lady from the first settlers. Everyone enjoyed the performance and learnt a lot about how the Explorers crossed the Blue Mountains.
The show

On Tuesday 21st May we had a special visitor, Mark, come to our school with lots of deadly Australian animals. The show was really spectacular. It showed some of the most deadliest critters like the red back spider and box jellyfish. A lot of kids got to touch a python. It was very interesting and very awesome. The funny bit was when Mark told some jokes.

Walnut filled pancakes with chocolate sauce

Chocolate sauce
3 tbsp Dutch cocoa
3 tbsp sugar
3 yolks
200ml milk
100ml cream
125g dark chocolate, chopped
4 tbsp dark rum or brandy
60g butter to finish cooking pancakes

For the chocolate sauce Beat the cocoa, sugar and yolks together. Bring the milk and cream to the boil and pour over the yolk mixture, whisking. Return to the heat and cook gently, stirring, until the custard thickens. Remove from heat and add the chocolate and rum, stirring until combined. Keep sauce warm while you cook the pancakes.

Pancakes
3 eggs, beaten
1 cup milk
1 cup plain flour
50g butter

Filling
125g walnuts
60g raisins
60g sugar
Zest of 1/2 a lemon
4 tbsp dark rum or brandy

For the pancakes Whisk the eggs and milk into the flour until you have a smooth batter. Let stand for 10 minutes. The consistency should be like pouring cream - you may need to add a touch more milk.

Heat a frying pan, add a knob of butter and move it around so that it covers the pan. When the butter is foaming, pour in a ladleful of batter, moving the pan around so that the batter covers the whole bottom. Cook over a medium-high heat until the pancake is golden brown underneath. Turn it with a spatula, cook the other side then transfer to a plate. Continue with the rest of the batter and set aside.

For the filling Finely chop the walnuts (or blitz in a food processor) and the raisins, and combine with the sugar, zest and rum.
Place a spoonful in each pancake and fold into four so that they look like triangles. Repeat with the remaining pancakes.

Heat a large frying pan with the butter and add the filled pancakes, frying gently to warm them through. Cook on both sides. Traditionally in the restaurant they were sprinkled with rum and flamed at the table before being finished with the chocolate sauce. But if flaming makes you a little nervous - as it does me - sprinkle a little extra rum over the pancakes and serve them straight away with the chocolate sauce poured over the top.

Serves 4-6.

SPACE

Earth, our home planet, is the only planet in our solar system known to harbour life. All of the things we need to survive are provided under a thin layer of atmosphere that separates us from the uninhabitable void of space. Earth is made up of complex, interactive systems that are often unpredictable.
