In August the girls soccer team travelled to Lithgow to play Lithgow Public School. The girls had a great victory and won.

In September the girls soccer team travelled to Bathurst for a gala day they had been waiting for ages. They played Raglan 2-0, Bathurst PS 2-1 and last of all they played Cowra and won 1-0. When they played Cowra they had to go into extra time. Erin Rainsford found the ball at her feet and kicked it in the goals and scored. Shaqkyra scored 2 in the first game, Hannah scored 2 in the second game and Erin scored in the last game.

A couple of weeks later the girls soccer team travelled the Parkes to play Middleton PS. The score was 2-0. We all are very proud of the girls to make it to Stare Championships.
On Tuesday 21st August Wang celebrated book week. Our theme was champions read. We dressed up as sports people, book characters and Olympic theme idea. We had a very successful book fair selling $3800 of books which gave us 30% commission of $1140 to buy new books for the library. We all had a fun day.

The Wallerawang public school football team won all three of the Portland games against Kandos, St Pats, and Portland central. At Dubbo our team won 2 of our games and we unfortunately lost our third game against Bathurst. I am sure Mrs Lamborn and Corey Stockton (coach) are proud of the boys’ efforts.

We interviewed Pacey & Jordan for their thoughts on the day.

How did you feel when we made the finals at Portland?

Pacey: I felt happy for the team and the coach. I think we all played good!

Jordan: I was very excited because we made the finals.

What did u think of the team’s performance?

Pacey: I think we all played as best as we can.

Jordan: I think we all did our job and played tough.
Roald Dahl was born on September 13, 1916, in Llandaff, South Wales. His parents are Norwegian. Their names are Harald and Sofie (Hesse berg) Dahl.

Dahl's life was not always an easy one. He had to deal with much serious and tragic illness in his family. Theo his son had hydrocephalus as a young boy due to multiple head injuries he suffered in an accident as an infant. Olivia his daughter, died at age seven from measles encephalitis. His wife suffered three cerebral haemorrhages. He had to undergo two spinal operations for crippling back pain. Throughout his life, Dahl had eight major operations and a few countless smaller ones. Through it all, he always kept a wonderful perspective on his life. This shines through in his writing.

James and the Giant Peach were written in 1961. It was the first children's book he wrote. When Olivia was born, he began making up stories to tell her each night at bedtime. He said, "If I didn't have any children of my own, I would have never written books for children, nor would I have been capable of doing so." Dahl had some very definite ideas about what children liked to read which were supported by the success of his books. However, some critics considered his work too violent for use in libraries and schools.

My Puppy Plays Piano
My puppy plays piano.
It's the strangest thing to see.
It seems, while I was practicing,
he learned by watching me.

He started out on chopsticks,
then he learned to play some Bach.
It wasn't long before he knew
the blues and classic rock.

He also taught my kitten how
so they could play duets,
and then they taught guitar and drums
to all my other pets.

They formed a band and practiced hard
and traveled all around,
and instantly got famous
for their catchy "Pet Rock" sound.

They made a smash hit record
and it wasn't very long
before my pets were millionaires
because they wrote this song.

Played a Game
I played a game.
I rode my bike.
I had a snack.
I took a hike.
I read a book.
I watched T.V.
I built a fort.
I climbed a tree.
I surfed the web.
I played guitar.
I caught a bug
inside a jar.
I called my friends.
I dug a hole.
I kicked a ball.
I scored a goal.
I had a swim.
I learned to skate.
I played with toys.
I stayed up late.
It's fair to say
I do like school,
but even more, though,
weekends rule!

**Lemon Meringue Cup Cakes**

**Cupcakes**

- 1 cup pure cream
- 1 cup caster sugar
- 2 eggs, lightly beaten
- 1 1/2 cups self-raising flour
- Finely grated rind of 1 lemon

**Lemon curd**

- 1/2 cup lemon juice
- 100g butter
- 1/2 cup caster sugar
- 1 egg
- 3 egg yolks

**Meringue**

- 3 egg whites
- 1/2 cup caster sugar

**Method**

Preheat oven to 180°C. Place 12 patty cake liners in a 12 hole 1/2-cup capacity muffin pan.

Place cream, sugar and eggs in a large mixing bowl and whisk until smooth. Gradually add flour and zest and continue whisking until mixture is thick and smooth.

Divide mixture between prepared liners and bake for 15-20 minutes or until cakes spring back to touch. Cool in muffin pan.

For lemon curd, heat lemon juice and butter in a small saucepan and simmer until butter has melted. Add sugar, egg and yolks and cook, whisking continuously until mixture becomes thick and glossy. Pour into a shallow oven tray to cool.

For meringue, beat egg whites in an electric mixer until firm peaks form, gradually add sugar, a tablespoon at a time, beating until sugar has dissolved between each addition. Spoon meringue mixture into a piping bag.

To serve, preheat grill to medium-high. Cut a small hole in the top of each cupcake and fill with 1-2 teaspoons of lemon curd. Pipe a swirl of meringue mixture on the top of each cupcake and place under heated grill for 60-90 seconds or until golden. Arrange on a serving plate with spoonfuls of lemon curd if desired.

Did you know you share your birthday with at least 9 other million people in the world!

If you yelled for 8 years, 7 months and 6 days you would produce enough sound energy to heat one cup of coffee!

Right handed people live, on average, nine years longer then left handed people do!
